

Login to Google Classroom 2021

1. Login to computer using Clever Card or click on other user and type in login and password.

2. The computer should launch Clever and Google Classroom if not:

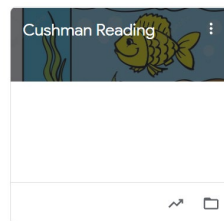

www.clever.com into the URL search bar at the top, login with clever card if needed.

Google Classroom

3. In Clever scroll down to find **Google Classroom** and click on it to open or if the Google Classroom tab is open, login if needed (Last Name, First Initial, and Student ID (First 5 numbers) Ex: smitha12345@students.wcboe.org PW: Lunch number with 3 zeros e.g., 54321000)

4. Once you are in Google Classroom you will need to click on

your student's classroom for example-->

5. At the top of the classwork tab, you will see a **ZOOM link**, click on it to enter your student's zoom, it may look something like this
