PARTNER HIGHLIGHT

EWC ADOPT-A-BLOCK

EWC Adopt-A-Block is going into our 7th year serving our community. We distribute food on the 2nd and 4th Saturday of the month, 12 months a year. Prior to COVID19 we were delivering food door to door, now we set up what we call POP-UP Events in different areas of Wicomico County. We are not limited in distributing food, as we help with donating clothes and small household items to families in need. We partner with local schools and governmental agencies in distributing much needed resource information to our community. EWC AAB is also a 24-7 emergency food pantry as we are a member of the Maryland Food Bank. In 2019 we were awarded a grant from the Wicomico Partnership for Families and Children to start what we call Back Pack Pals program. In this program, we provide non-perishable meals to seven Wicomico County Public Schools who have identified the students who are most in danger of food insecurity. We are able, through the grant to deliver over 60 back packs full of food to each school every Friday, then we return to the schools on Monday to pick up the bags and pack them again for delivery on the next Friday or the day before a school is closed. We want to insure, students do not have to go hungry over the weekends while they are waiting to go back to school for their breakfast and lunch. Our mission is simple, Find A Need..Fill It, Find a Hurt..Heal It.
