Wicomico County Judy Center Early Learning Hub

June 2020

Please like the Wicomico Judy Center Early Learning Hub on Facebook! We are working hard to update our page with important information and resources for our students and families. On Tuesdays, you and your family can enjoy virtual Zumbini, Storytime, and other fun activities. You can also join us on Wednesdays for our video recorded play-groups!!

The Judy Center Early Learning Hub is still here to serve you and your families. Please see our contact information on the next page if you are in need of resources.

We would also like to thank the staff, teachers and partners for their continued support by sending in videos for our families!

FAMILY ENGAGEMENT ACTIVITIES

We understand that these are hard times for families. Here are few ideas for you and your children to engage and have a little fun!!

1. Make a Fort. You can use sheets, blankets, even some cardboard boxes.
2. Scavenger Hunt. You can do a scavenger hunt inside or outside. You could also do a theme (nature, specific colors, shapes, etc.).
3. Have an Indoor Picnic.
4. Dance Party. You can even dress up to make it extra special!
5. Board Game Night. Make some snacks and have a family night of fun and games.

Please send pictures of any activities you may do with your family via Facebook or email at jfusco@wcboe.org

WICOMICO COUNTY LIBRARY

(Press Release) — Wicomico Public Libraries' staff are happy to be back in the library buildings following Governor Hogan's Maryland Strong Roadmap to Recovery released on April 24, 2020. Our reopening plan is subject to change depending upon updated guidance from government and health officials. Our phased reopening begins with Phase One on Wednesday, May 27.

During this time, we will have a limited number of staff in the building between 10 a.m. and 2 p.m. Staff will be cleaning, receiving and processing new materials, and preparing our facilities for Phase Two. Additionally, our library managers are developing procedures for Books To Go, our contactless curbside holds pick up service. Once this service is live, we will post updates on our social media and our website.

Until it is safe to reopen our doors our staff is still here to answer any questions you might have. You can call 410-749-3612 and use the following extensions to reach a librarian: Adult Services ext. 5, Children's ext. 4, or Circulation ext. 3. The reference line is available Monday thru Friday 9 a.m.- 5 p.m. You can also email us your questions by using our website reference form (www.wicomicolibraries.org/reference-questions). Please do not hesitate to contact us with any inquiries.

We continue to promote our digital resources on our website and social media that are available to all card holders. During this time, every Wicomico County resident can have access even if you do not have a Library Card. You can sign up for a temporary library card through our website—temporary cards provide instant access to all of our online content and are valid for 60 days. Additionally, every Wicomico County Public School student grade 1-12 can use the prefix WCPS and their lunch number as their Virtual Library Card number to access resources (for example, WCPS12345). Free WiFi is also available in our parking lots at the Downtown and Pittsville Branches and we encourage patrons to practice safe physical distancing.

We look forward to expanding our services as the directives from the Governor's office allows. During this time, our book drops remain closed and book donations are not being accepted while our staff catch up on checking in materials that have been returned since we closed. Late fees continue to be waived during this time. We will continue to post updates on our website, social media, through email and other media outlets.
